

YES, I WANT MORE FREEDOM!

Because our model of deliverance prayer is so cooperative and person-centered, it's best to prepare before coming in order so that you can participate fully. Watch or listen to the talks available on our website.

Then submit the "request prayer" form at the bottom of any page on our website and we will reach out to you.

Note that this is a *request*, not a reservation. We will do our best, but we may not have the resources to help you in the way that you need.

**We have appointment locations throughout lower MI*

LIVE FREE MINISTRY

is a Catholic mission organization
dedicated to the New Evangelization.

We offer teaching, training,
and prayer ministry.

THREE STEPS TO INFINITE FREEDOM

One ~ Lay it down

Surrender to God your past, your pain,
your problems, and your pride.

Two - Let it go

Give and receive mercy.

Three - Make new choices

Say no to the enemy and his plans for you and say
yes to God. Say no to lies and yes to truth, no to
sin and yes to holiness, no to slavery
and yes to liberty.

∞ ~ Ask the Spirit to make you whole

"Glory be to God, whose mighty power working in
us can do *infinitely* more
than we could ever ask or imagine!"

—Ephesians 3:20

MAKE A DATE WITH DELIVERANCE

WHAT IS DELIVERANCE?

Most people misunderstand deliverance. They think that it's only for possessed individuals, and that it can only be done by a trained and appointed exorcist. Others believe that it is something dramatic, for "charismatics," or that it's necessarily frightening. People often confuse deliverance with emotional or mental healing.

None of these capture the true nature of deliverance ministry, **a ministry that simply acknowledges the reality of spiritual battle in every human life.**

Although subject to Satan's constant opposition, **Christian who stand firm in their faith can never be ultimately overpowered by the enemy;** he can only gain influence in their lives to the degree that they give him access.

How? By believing lies about oneself, others, and God; by making ungodly judgments or promises; by engaging in sinful behavior; by serving "idols" - things we look to outside of God for protection, power, purpose, provision, pleasure; by harboring unforgiveness; by unholy and unhealthy attachments and relationship; by doubt in God's reality, goodness, and love; by approaching the occult with fear or fascination.

Deliverance ministry closes these doors and releases people to live freely, secure in their identity as God's beloved children. With this new freedom, people can move forward into the unique purpose and plan that God always intended.

So deliverance *does* closely align with healing. For the greatest healing of all is healing from sin and from its inevitable outcomes: misery, destruction, and eventually death. Actually, deliverance is more than healing.

Deliverance is resurrection!

WHO NEEDS DELIVERANCE?

Deliverance prayer applies the Gospel of Jesus to your story.

It helps you overcome whatever blocks you from blessing

- sin patterns you can't break
- anger or sadness you can't shake
- reactions and responses that get you nowhere
- blocks to giving and receiving love

Deliverance is about **ENCOUNTER** with Jesus, **EDUCATION** in discipleship, and **EMPOWERMENT** for mission.

It is for everyone, everywhere.

DELIVERANCE IS FOR YOU!

WHAT HAPPENS WHEN YOU RECEIVE DELIVERANCE PRAYER?

Many models of healing or deliverance prayer rely on the gifting of the minister, perhaps accompanied by supernatural signs or physical manifestations. Live Free ministry doesn't operate that way. **We respect the dignity and authority of each person we pray for, coming alongside to offer our faith, our experience, and our commitment to your freedom.**

Private, one-time appointments last about two hours. The first part of the ministry time is best described as **active listening guided by the Holy Spirit.** Many people experience this as a time of revelation, when they recognize how they have accepted deception leading to bondage, and they understand in a new way the truth that sets them free. In the next part of the prayer time, **the prayer leader guides the person in praying through three simple steps to freedom and offering a final prayer for healing and empowerment.**

After prayer, many people experience a tangible sense of relief and a new ability to move past long-time emotional and spiritual blocks. More important, after going through the prayer process with someone else, **you will have learned a practical way to consistently win your ongoing spiritual battles.**

YOU SHALL KNOW THE TRUTH,
AND THE TRUTH SHALL MAKE YOU FREE.
