

FORGIVENESS OPENS THE DOOR

WANT MORE FREEDOM?
LIVEFREEUB.NET

Lord Jesus Christ, I come to you just as I am, sorry for my sins, ashamed of my weaknesses, struggling with my brokenness.

Please forgive me for all the wrongs I have done, especially for the ways I have held onto unforgiveness, judgment, jealousy, resentment, bitterness, anger

I now receive the full forgiveness you offer from the cross. I turn away from justifying & excusing myself, and also from condemning and punishing myself. Both of these keep me from receiving your mercy with gratitude and joy.

Because you have forgiven me and because you command it, I now forgive ... for the wrongs they have done ... , the ways they have hurt me ... , the damage they have caused , and all the fallout from their actions now and into the future.

I join this forgiveness to the power of your own forgiveness, to the power of your shed blood; I can't do it on my own. I forgive, and I place all these memories in your heart.

Thank you for the freedom of forgiveness. Unfold it in my life starting today!
